Dear Parents/Guardians,

Due to a number of ongoing issues we have been having with the School Apple ID (jp2@gmail.com), the password for this account has been changed. Students will no longer have access to this account for personal use. All School Apps and updates will be done at school by either their class teacher, Mrs Collinson or Aden. If students wish to download games for home use it must be done using their own (or parents') Apple ID. If your child has previously downloaded a free app using the School Apple ID, please be aware these apps will not be updated. It would be best to delete them and download them again using your own account.

If there are any questions, please do not hesitate to contact me at school via email (kelly.collinson@catholic.tas.edu.au) or phone.

Regards

Kelly Collinson
(ICT Coordinator)
